

1850 FISHER

Stabicraft's 1850 Fisher offers boaters more beam, more stability, more space, more bow access, more fuel capacity, and more choice in package configurations. There are now multiple 1850 Fisher packages to choose from to suit your style of boating. Each package has varying specifications and multiple options to choose from allowing you to customise to your preference. Whether you're out fishing with the kids, skiing on the lake or offshore with your mates there is a package to suit everyone.

STABICRAFT®
ADVENTURE WITH CONFIDENCE.

AVAILABLE PACKAGES

ADVENTURE

In its rawest form, the 1850 Fisher Adventure package has everything you need and nothing you don't. Packaged to suit the price-conscious buyer, the Adventure package comes standard with our legendary, all-glass, walk-through windscreen offering unparalleled access to the bow and beyond. You can expect a much larger volume of deck space over its predecessor (25%, to be precise) and Stabicraft's unique Gamechaser™ Transom for manoeuvring in those tight spaces.

SPORTFISH

The 1850 Fisher Sportfish package allows you to stretch your legs, add a bit of colour and go in search of fish offshore, knowing you have 150L of fuel as a standard feature. With the added protection of the Rod & Canopy arch and bimini and a drum winch, you can be sure you and your mates or family have all the amenities they need for a successful day on the water.

PROFISH

The 1850 Fisher Profish package is the most well-appointed 18.5-foot boat package on the market. To list but a few key features like Full Paint, U-Dek flooring, Hydraulic steering and a live bait tank, you can be sure you'll be the envy of every other boatie at the ramp. The Profish package is designed for not just the keen angler either, and it is finished to a point where you can be on the water with your family in absolute comfort and safety.

OFFSHORE

The 1850 Fisher Offshore package is designed for boaters destined for cooler climates. The Offshore package has full all-around canvas protection, 150L of fuel capacity, 2 x Icey-Tek chilly bins/cooler seats AND a large transom-mounted fish box for your catch. With the added sound barrier of Closed Cell Baffling, the Offshore package is one seriously protected and safe 1850 Fisher.
